Advice from professionals is great

Make Connections.

It's important for recreation and sports management majors to network and build relationships when attending professional events. Professional associations allows for networking, mentoring, learning the industry trends and finding career or internship opportunities. Professional associations within the recreation and sports management industry include:

Professional Associations

National Intramural-Recreational Sports Association
National Recreation and Park Association
Society of Health and Physical Educators
North American Society for Sport Management
National Collegiate Athletic Association
