

HOW TO FIND A JOB AS AN INTERNATIONAL STUDENT

Learn the Visa Rules

Learn the difference between H-1B, H-2B, and the many other types of visas.

Build a Target List

Use Vault to develop a list of companies for which you would like to work.

Confirm Company Sponsors

Go to myvisajobs.com to look up companies that support visas.

Research Roles

Use Vault to learn about the different types of professions within your industry of interest.

Get Experience

Join a club, volunteer, or obtain an internship, if possible.

Connect with Alumni

Access your school's alumni directory and build relationships. Seek out advice to make you more competitive.

Mock Interview

Practice interviewing with career services staff to build your confidence prior to an interview.
